

Documents required for sea-going yachts under the Polish flag

- SC** – Safety Certificate
- CC** – Class Certificate
- RL** – Radio Licence

Remarks:

1. Recreational yacht means pleasure craft and may be used for private purpose only. According to Polish law, it is not allowed to use a recreational yacht for any commercial purposes, including bareboat charter and charter with a crew.
2. In case of yachts of up to 15 m in length, Class Certificate may be replaced by Seaworthiness Certificate.
3. Recreational yacht with "CE" mark of conformity is exempted from technical supervision for 10 years from the date of issuing the Declaration of Conformity, provided that the yacht has not been damaged or that there has been no change in its hull, appliances or equipment in a way that may affect the safety of the yacht.
4. Yachts navigating exclusively in training areas do not need radio-communication equipment and Radio Licence.
5. Every yacht must be manned by a properly qualified crew.
